

THIS COULD SAVE A LIFE!

Do you or your children use radio equipment like these?

- 40 or 80 channel UHF radio
- UHF Personal Radio
- UHF 'Communicator'
- 'Licence free' UHF Radio
- UHF CB

These radio's can cost from \$20 each up to \$300-\$400 each, and are sometimes advertised as having **38 "sub-channels" or "privacy-tones"**.

These are **ALL CB RADIO** units and even though no licence is needed they are governed by **Federal Legislation!**

Channels 5 AND 35 are reserved for EMERGENCY USE ONLY!

Misuse of these channels can incur penalties of up to **\$420 on-the-spot fine, \$315,000 court imposed fine, or 2 years imprisonment.**

It could also cost someone their life!
